Sir,

With reference to letter no L 6331-2.9/31 36-3 dated 24.1.38, from the Secretary to the Govt of Mysore, Local Self Govt Dept., to the Deputy Commissioner, Kolar Dt., directing me to furnish my explanation, regarding the non-adjustment of certain Advances drawn by me from the Kolar Dist. Board in Dec. 1926, and April to May 1927, when I was Dist Economic Superintendent, Kolar Dist., I beg to state as follows:

PP
Part not received by the D.C.
24/1/38
12/2/38

I had to go to Kolar to see connected records before I could give my explanation. Though all the records such as vouchers, correspondence etc. relating to the transactions could not be found, I found in the Almirah in which the records of the late Dist Economic Superintendent's office were kept, the cash book of the period, and a ledger, showing amounts spent on each of the activities of the Economic Superintendent. These books show, when the amounts were drawn &

and how they have been spent. I enclose for kind perusal extracts A & B from these books, relating to the transactions regarding which I have been asked to offer explanations.

A kind perusal of these extracts will show how each of the items drawn has been spent:

Item no. 1. Rs 75-, drawn on 21.12.26, for the Industrial Exhibition at Bangalore:

An account of the amount spent has been sent to the Dist Board on 2.4.27, and the unspent balance of Rs 11-15-0 has been credited to Dist. Funds on the same day. This credit has been lost sight of in the Accounts, as it has been wrongly taken as a credit under Licence Fee. vide At. Board drawing para Book, & Cash Book, for 26-27.

Items 2 & 3: Rs 80- & Rs 100- drawn towards Charkas and Spinning demonstration, on 28/4/27 and 10/5/27 respectively. Kind perusal of extract B will show how these amounts have been spent. The bigger payments amounting to Rs 147-0-6 are all payments made into the Treasury on account of other Govt. Depts. from which

which had been purchased to popularise hand-spinning.

Certain minor payments amounting to Rs 15-4-6 relate to Cart hire, Railway freight &c. for which vouchers have of course been obtained. A Sum of Rs 8-11-0 has been sent to M/s Brahmappa, Jayanappa by money order. If the Acquittance Roll of the Spinning Demonstrator was available, I could also state when the advance of Rs 90 paid to the Spinning Demonstrator for travelling expenses was received and accounted for. But it was not available in the Almirah.

The practice at the time was, to send a statement of account together with connected vouchers to the Ast. Board, immediately after a grant, given for a particular purpose, was spent. There is no reason why in the above cases this practice should not have been followed, and the connected Accounts and vouchers sent to the Ast. Board. In one or two record bundles of the Asst Board office made available to me when I was at Kolar, I found vouchers for some of the completed transactions of my period, though records relating to the above transactions were not so readily available. The Record Keeper had other urgent work, and I could not stay there long enough, for obvious reasons.

I may be permitted to state here

that it does not seem to be correct to treat those amounts as "Advances" that had to be paid back to the Distt Board, as Audit seems to have done, judging from the nature of certain transactions which Audit has treated as part & parcel of the above "advances". These were "grants" made at the time for certain purposes, and the amounts were spent in furtherance of those purposes. If money was given for an Exhibition, it was given as grant to meet incidental expenses. If a subvention was given to purchase a building, but the money was utilised to purchase it. If money was given for spinning demonstration, it was given to purchase charkas, carding bows, Cotton etc. to demonstrate and perpetuate hand spinning. And it was not certainly expected that the amount spent in all these cases had to be paid back to the Distt Board. The money was spent once for all, and an account rendered, and if anything was realised — say, by sale of charkas, Cotton etc — that amount was to be treated as miscellaneous earnings & credited to Dt Board. A sum of Rs 60-5-7 has been realised & credited in my time in this way.

In this view, the amounts drawn by me have all been properly spent and accounts have been rendered and the vouchers sent, to the Asst Accd, in the usual Course

I may be pardoned for saying, that I am under a great disadvantage, in having been called upon to offer an explanation about transactions that occured about 11 years ago, and in connected records not having been properly filed and being readily available, and I beg, that this fact may also be kindly considered, in answering my responsibility for the non-adjustments brought to notice by Audit

I have the honor to be

Sir

Your most obedient servant.
